Firemen Ask Civil Serv. Clarification

AND NOW THE JEEP-SCOOT!

Out of the war have come many inventions for peace and enjoyment. The jeep-scoot pictured above, designed and built by Joseph Straughan, local Cubmaster, is surely one that will be enjoyed by the younger boy. This advance model with Cub Billy Allen at the "joystick" and Cub Donald North admirably looking on was the outcome of a desire on the designer's part to gladden the heart of a boy and repay many kind favors of the past. However, since the completion of the vehicle, Mr. Straughan has found himself besieged by both youngsters and their parents desiring the new fangled sidewalk coaster.

The jeep-scoot is sturdily built and being close to the sidewalk is practically turn-over proof; is equipped with a brake and real electric headlights. Skate wheels are used and are attached in such a way that when they wear out new ones may be installed with a minimum of effort.

Seek Organization of Three-County Highway District to Complete Extension Of Junipero Serra As Far As San Jose

Organization of a new three-county joint highway district to complete extension of Junipero Serra highway from its present Burlingame terminus into San Jose will be sought at a special meeting in San Mateo Thursday, October 18, at 7 p. m.

County Clerk W. H. Augustus invited San Francisco and Santa Clara county supervisors, their planning commission heads and legal advisors, to meet with San Mateo county board members at the Benjamin Franklin hotel in San Mateo to consider formation of the new district.

Augustus' invitation was made at request of local supervisors after Supervisor Thomas L. Hickey of South San Francisco pointed out that Joint Highway District 10 is ending its activities with extension of Junipero Serra highway to Mills lane, North Burlingame.

At present, Hickey pointed out, there is no official body able to handle the highway extension except the state highway commission.

Necessity of a special highway district as was formed by San Francisco and San Mateo counties for the previous work on Junipero Serra, was stressed by Hickey. The state, he said, has decided to undertake no further action until it learns the wishes of residents of the three counties involved.

Need for immediate action, Hickey said, is seen in the fact that more than 100 structures have already been built on the probable right-of-way, which must be bought or condemned, if the survey route southward is followed. Final choice of a route, Hickey was careful to point out, must wait on organization of the proposed three-county highway district, and consideration of all present proposals for the highway's extension.

Mothers Club Plans October 12 Meeting

The Mothers club of Our Lady of Perpetual Help school will hold their regular meeting in the schoolroom on Friday, October 12, at 8 p. m.

Three Men Drafted By Local Board

Mrs. Isabelle Flynn, chief clerk of Daly City Draft Board No. 103, reported three men from this area had been inducted into the service on September 25.

They are Manuel Govia, 443 Citrus avenue and Louis Claus, 149 Vale street, who were inducted into the Army. George Lowden, 1246 Brunswick street is in the Navy.

War Chest Drive Is Extended For Two More Weeks

Mrs. Muriel Pabst, local chairman for the War and Community Chest drive announced that the time had been extended two weeks and it is hoped everyone will make a special effort to contribute just a little more than they had planned on doing, because to date only \$1462 of the \$4000 quota has been contributed.

Sixty per cent of the amount raised here will be for agencies operating in this county. The balance goes to the National Chest.

It is hoped that all Daly City residents will contribute in their own community, thereby enabling us to reach our quota.

Grass Fires Cause Local Firemen Plenty of Work

The local firemen are still busy extinguishing grass fires as shown by alarms turned in since October 3.

At 5:13 p. m. October 3 an alarm came in from Box 31 at Westlake avenue and Willits street. Companies 1 and 2 responded.

In answer to a phone call from an unknown person on October 6 at 2:05 p. m., who stated a grass fire was in progress in the lot adjacent to 43 Vendome avenue, Companies 1, 2 and 4 responded.

On October 7 at 10:27 a. m. an unknown woman phoned the police department stating that there was a grass fire near 167 Los Banos avenue.

At 8:18 p. m. October 7 a street car was on fire at Mission street and Wellington avenue. This brought out all four companies.

Fire alarm Box 15 was pulled at Mission street and Templeton avenue at 11:55 p. m. October 7. This proved to be a false alarm, but Companies 1 and 4 were on hand.

17th District CCPT Plans October 18 Meeting At Jeff Hi

Seventeenth District CCPT will meet at Jefferson Union High school in Daly City on October 18.

The program under the direction of Mrs. F. D. Benz, director of health, will feature Dr. Charles C. Gans, director of the San Mateo County Board of Health and Welfare. Miss Eleanore Thorndsen, chairman of school health and summer round-up, W. Earl Whitaker, chairman of mental hygiene, and Ralph Steele, chairman of social hygiene, have interesting and valuable information from their departments.

Musical entertainment by students of Jefferson Union High school and community singing led by Mrs. G. J. Sirex, promise a delightful interlude.

Mrs. L. G. Evans, president, will conduct the business meeting. Registration at 9:30 a. m. and call to order at 10 a. m. Luncheon will be served in the school cafeteria at 1:30 p. m. Reservations must be made early with Mrs. J. Emmett Jones, reservation chairman, of San Mateo.

Fire Commissioners Ask Board of Review Include Certain Fire Dept. Positions In Civil Service Rules and Regulations

Legion Auxiliary Holds Victory Whist Wednesday, Oct. 17

Daly City Unit No. 410, American Legion Auxiliary, will hold a Victory whist party following the executive board meeting Wednesday, October 17 at the Legion hall, 474 San Diego avenue.

Mrs. Ann Welsh will be chairman.

Three Armed Men Take \$1800 In Cash In Daylight Holdup

Three armed men in a dirty grey Chevrolet sedan drove into the B and G garage, 3348 San Jose avenue Friday, October 5 at 11:45 a. m. and held up Albert Garibaldi, proprietor of the garage.

Garibaldi had just sold a car and pocketed the cash when the bandits drove in. Two of the men hastily got out of the car and with levelled guns forced him into the garage office. One of them jerked the telephone from the wall, rendering it useless. The other relieved him of his wallet containing \$1800 and valuable credentials. The third man stayed in the car and after obtaining the money they left, driving north on San Jose avenue.

The victim could furnish practically no identity as the men held their coat collars about their faces, making it difficult to describe them.

The council meeting of Monday, October 8 was called to order by Mayor A. J. Gaggero with all members of the council being present.

The minutes of the meeting held September 24 were read and approved as well as the minutes of the special meeting held Wednesday, October 3.

The resignations of Julius Twetten from the fire department and John L. Ferro from the board of fire commissioners were accepted.

A communication from the Daly City Fire commissioners relative to five items discussed by them at their last regular meeting held October 2 were presented for the council's consideration.

1—That the board of review include positions of captains, lieutenants and deputy marshals in the civil service rules and regulations pertaining to the fire department, so they may be classified with the other officers.

2—That the city council and the board of review withhold adoption of the civil service rules and regulations pending an open meeting with a committee from the fire department for the purpose of discussing and clarifying certain adoptions and omissions in the rules and regulations which the department feels should be clarified prior to adoption. This meeting to be held at the pleasure of the board of review or at their next regular meeting scheduled for October 19.

3—That a control switch be installed in the police office where upon receipt of fire alarms, officers can set all traffic signals located at the intersection of Mission and Broadway.

(Continued on Page 8)

EDITORIAL

There seems to be a slight misunderstanding on the part of a few as to the stand of the Daly City Record on the proposed Memorial Building. This article is written to clear up any such misunderstanding or misinterpretation.

The Daly City Record has advocated from the start that Daly City does need and should have a War Memorial Building second to none in the county. There is an appalling need of just such a building here that would be wholly adequate as a meeting place for all local organizations, large enough to care for all groups, and with facilities for fun and frolic such as dancing, basketball, tennis and other sports.

However, we do not support the acquisition of any site that is sure to become a "taxpayers' nightmare" and leave nothing after said site is purchased and conditioned, but a spot to pitch a tent or park a car.

We believe that the majority of the money spent on a War Memorial should go for the building and appurtenances and not for a site. There are plenty of good sites for said building which would not put a burden on the taxpayers. Several of these sites have been suggested but so far nothing has been done about them.

A meeting has been called for Wednesday, October 24, at 8 p. m. at the city hall for further consideration of a War Memorial Building site. It is the duty of every interested citizen to be present and express his or her preference in the matter of a site. Try and be there!

In closing we reiterate—our stand is, always has been, and always will be 100 per cent for a War Memorial Building for Daly City, a building adequate for the needs of the present and the future alike. But we do not back the purchase of any site for said building wherein the cost of the site itself will far exceed the cost of even an inadequate building and put too much of a crimp in the taxpayer's pocketbook.

World Capital

California is "in" as the future home of the world security organization—we hope.

At any rate, the decision of the United Nations Preparatory Commission to establish the World Capital in the United States virtually narrows the final choice between two cities—San Francisco and Philadelphia. And from all indications San Francisco holds a distinct edge.

Diplomats who visited here a few months ago were enthusiastic about California and its City by the Golden Gate. They are not so familiar with Philadelphia. Then, too, the fact that the West Coast is not within the Washington "orbit" is in our favor for it is felt that international matters can be threshed out better in an atmosphere not dominated by the capital of a large nation.

In selecting the United States as the permanent seat of the world security organization the committee passed up Geneva, the home of the old League of Nations, with its vast and impressive halls that were built in the hope that there the formula for world harmony could be found.

Let us hope and pray that the leaders of the nations will realize that something besides beautiful buildings must be constructed if the new association is not to follow in the path of the old. The real construction work must be done not merely with the hands of workmen but with the hearts and minds of world statesmen.

As much as we Californians want the new World Capital to be established in our state, we desire far more that the security organization will not be a magnificent vacuum of stone and marble but a living, throbbing structure built upon the sincere faith and confidence of men in each other, which is our only real hope of a lasting peace.

Getting Tough—At Last!

In suggesting postponement of the Inter-American conference scheduled for October 20 in Rio de Janeiro, our State Department gave further proof that it has awakened to the political facts of life about Argentina.

Undersecretary of State Dean Acheson, told newsmen that there was no sense in holding the conference, at which a hemispheric defense treaty was to be drawn up, when Argentina had already repudiated the very principles the treaty would be based upon. It is now proposed that the drafting of the treaty proceed without Argentina and that it be signed later in Rio.

Washington's present attitude is far more realistic than the sincere but rather naive efforts of former Secretary of State Stettinius who tried to induce the "wild bullies of the Pampas" to mend their ways.

At the San Francisco Conference, when Argentina was taken into the United Nations, there was widespread skepticism as to the genuineness of the promised reforms, which enabled her to regain her place in international society.

Now that the Colonels have repudiated their promises, Argentina is very much out in the cold once more. And this time she is likely to stay there until the Argentines themselves kick out the Farrell-Peron crowd—a bit of kicking that is long overdue.

Laval Trial

Going on trial for his life in the same court that recently sentenced the aging Marshal Petain to death, Pierre Laval made a ludicrous bid for sympathy when he shouted, "You can condemn me, you can kill me, but you cannot insult me. I am a Frenchman and I love my country." Before being removed from the courtroom for this outburst he was given the equivalent of a Bronx cheer—in French. Laval's "speech" came at the end of the first day of his trial—a day that was marked with bitter accusations against the court for "rushing" the trial and not giving the defense time to prepare its case. Andre Mornet, the prosecutor, declared that the whole charge was nonsense. While a "guilty" verdict for Laval is already a foregone conclusion, the only little man who collaborated with the Nazis, seemed bent on making his "day in court" as spectacular as possible.

If You're In Doubt

There is a good deal of hesitation amongst relatives and friends of servicemen these days as to sending Christmas gifts overseas to those who might possibly be home for the holidays. It seems to us that the only safe course is to send the packages, otherwise somebody may think he was overlooked. And that isn't pleasant when he's far from home.

Felix C. Chapman
Receives Award
From Gen. Groninger

More than 1,000 soldiers and civilians crowded into the Open Air Theater at Oakland Army Base to see two Peninsula residents, Thomas A. Fox of 1536 Lake street, San Francisco, and Felix C. Chapman of 61 Bruno avenue, Daly City, receive from the hands of an army general the first Meritorious Awards made by the War Department to employees of the San Francisco Port of Embarkation.

The general was Major General Homer M. Groninger, port commander. In presenting the certificates he commended the men, who he said "in jobs and without rank and without glamor made possible the coordination and accomplishment of this port's mission."

The "mission" was getting men and material to combat areas in the Pacific, and the recipients of the awards were honored for their part in it while serving with the transportation division of the port during the period just preceding and immediately following the attack on Pearl Harbor.

Mr. Chapman's citation reads in part:

"For his exemplary performance in the organization and operation of the Transportation Division, San Francisco Port of Embarkation; for his untiring effort and performance of functions far beyond the call of duty; and for his quality of leadership which served as an inspiration to his co-workers."

Enlarging on this general statement, General Groninger said:

"From December 7, 1941, to February 2, 1942, on his own initiative and under extreme mental and physical strain, Mr. Chapman remained on duty from 12 to 18 hours every day. He directed the important affairs of the division, particularly the movement of troop trains, without any extra pay or compensating time off."

Mr. Chapman, veteran of the Spanish-American War, was born in Georgia but has been a Peninsula resident four times. In 1927 he built a home and settled permanently in Daly City.

Royal Neighbors
Sewing Group
Enjoy Dutch Whist

Vista Grande Camp No. 6035, Royal Neighbors of America Sewing group met at the home of Mrs. Emily Mon Santo, 278 Los Banos avenue, Tuesday, October 9 at 8 p. m.

Dutch whist was played following which a surprise baby shower was given for Mrs. Marie Thompson. She received many beautiful gifts.

The members present were: Cinderella Weller, Marie Rucker, Anna Romer, Johanna Hedvall, Mattie Putnam, Agnes Wood, Elizabeth Sorenson, Clarise Scott, Mable Duffner, Helen Specht, Lillian Craft, Annie Smith, Lillian Thomey, Lillian Gray, Laurette Bertelli, Gertrude Gehringer, Lucy Nelson, Grace Coolish and Mrs. Mon Santo's sister Catherine, from Florida, who was a guest.

Following the meeting refreshments were served.

Court of Honor
Announced For
Area Boy Scouts

The San Francisco area of Boy Scouts of America wish to announce that the next suburban district Court of Honor will be held Wednesday evening, October 17 at 8 p. m. in Jefferson Union High school auditorium.

Troop No. 148 of Colma, sponsored by Holy Angels church, will be host. Joseph Cunningham, who is acting scout master, has a very interesting program scheduled for that evening. Albert Zwysig, former scoutmaster, has resigned.

The suburban district of the San Francisco area council Boy Scouts of America consists of Brisbane, Bayshore City, Colma and Daly City. All Boy Scout troops, cub packs, sea scouts and senior scouts will receive their merit badge awards at this Court of Honor to which the public is cordially invited.

The Scout camporee held at Pine Lake park, September 29 and 30, was an outstanding success, with many scouts from the suburban district attending.

Grand Jury Makes Recommendation For Adequate Public Health Facilities

The Community hospital serves the county of San Mateo as a general hospital and is situated in the city of San Mateo. This hospital is under the direction and supervision of the director of the San Mateo County Department of Health and Welfare. According to the 1939 report of the United States Public Health Service, the Community hospital conforms with the standards of hospital management, equipment and personnel as required by the American Hospital association.

The main building of the Community hospital is of steel and concrete construction and the building itself together with the grounds appear to have been kept in good condition. At present, the principal public health center, as well as the isolation ward (where persons having communicable diseases are housed) of the hospital are located in this main building, one adjoining the other on the ground floor.

No emergency facilities are available, it being necessary to take emergency cases to the general surgery section of the hospital which is not conveniently situated as to treat such types of cases.

The section of this building devoted to the care and treatment of psychopathic cases and alcoholics is inadequate in that no provision has been made in keeping the noise emanating from this section confined to that locality alone. In other words, soundproof walls and doors do not exist which results in disturbance of other patients located on this particular floor of the building.

An additional disturbing influence in this building is the fact that the carpenter shop of the hospital is located therein, patients being subjected to the noise coming from such a shop. Also no facilities have been provided for a laundry for this institution, resulting in expenditures of approximately \$1500 per month.

To the west of the main building of the Community hospital is located a pavilion which is of frame construction. This pavilion was used as a tuberculosis unit of the Community hospital until Canyon Sanitarium was acquired by the county. The pavilion appears to have been recently painted and to be in good condition. At present the pavilion is known as the Mills Memorial Hospital Annex.

From an investigation made by this committee, including interviews with both the director of public health and welfare of the county, and the county executive, it was learned that the county executive had arranged for the lease of said pavilion to the Mills Memorial hospital for the sum of \$100 per month, the tenancy being on a month to month basis. The pavilion is being used by the Mills Memorial hospital to care for an overflow of patients. According to an estimate made by the United States Health Service in 1939, this pavilion had a bed capacity for 43 patients.

The central or principal public health clinic of San Mateo county is now located in a section of the main building of the Community hospital adjoining the isolation ward. Here all public health services must be rendered to a majority of residents in the county in offices entirely too small for such purposes, considering especially the fact that the population of the county has greatly increased and will continue to increase.

Regarding the district health clinics of the county, an investigation of the facilities of the clinic located in Colma was made. The facilities were found in Colma to be most inadequate. The county rents space in a building on Mission street wherein are crowded the following offices: The Health Clinic including an examination and treatment room; the Sanitary Inspection Section of the Health Department; the office of Visiting Nurse; and offices for the Agriculture Department. The frontage of the space rented by the county is 19 feet and the depth is 55 feet. The various offices of the county are so cramped in this area that the deputy sheriff of the county found it necessary to rent space in an adjoining real estate office.

This one public health clinic in Colma, the facilities of which are most inadequate and unsatisfactory, serves the northern part of San Mateo county, i.e., the residents of Daly City, Colma, South

San Francisco, San Bruno, Lomita Park, Brisbane, Pedro Valley and a part of the coast area, or approximately a population of 40,000. As is most apparent, sufficient space is not available for the public health clinic and activities of other offices, such as the Sanitary Inspection Section and Agriculture department having no connection with the clinic, invariably interfere with the proper operation of the clinic.

The following recommendations should be followed:

1. As part of a postwar building program, a new building should be erected to provide adequate housing for a modern, central Public Health Center. This building should be centrally located in the county and convenient to public transportation, possibly adjoining the present Community hospital. The Public Health Center should be located in a building large enough to care for such sections of the Public Health department, as public health nursing, epidemiology, vital statistics, sanitation, laboratories and clinics.

Space in this building for private offices for social workers of the Social Service Division should also be provided as well as office space for the administration division, such as offices for the director of public health, accountant, record room, etc. The space now being used in the County Courthouse at Redwood City by the department of public health could be utilized for other purposes of the county.

2. Buildings should be erected at the north and south ends of the county, as well as a small office in the coast area to provide offices adequate for district clinics, district sanitarians and part or full time social workers. Also urgently needed are emergency hospital facilities in the north end of the county which embraces a very extensive area.

3. Regarding the main building of the Community hospital, the present psychopathic ward should be so renovated as to soundproof that section of the hospital and thus prevent further disturbance of other patients located in that wing of the building.

4. The isolation ward (communicable diseases section) should be removed from the main building of the hospital, as should the carpenter shop. Possibly the present pavilion now being used by the Mills Memorial hospital could serve as an isolation ward. The present section of the main building now used by the public health clinic and isolation ward could be utilized to handle emergency cases.

5. Facilities should be constructed to house a laundry which could do all such work for the Community hospital, as well as the Relief Home and Canyon Sanitarium, thus effecting a substantial saving to the county; space might be provided in the laundry building for the carpenter shop, thus removing this element of disturbance from the main building of the Community hospital.

The San Mateo Labor Council sent a letter to the San Mateo County Board of Supervisors stating that they have endorsed the Health Commissioner's recommendations 100 per cent.

Mrs. Lewis Thanks Fire Department For Efficient Work

Mrs. E. Lewis, 358 Hillside boulevard, sent the following letter to the Daly City Fire department expressing her thanks for the prompt and efficient manner in which a fire at 154 San Diego avenue was extinguished.

October 5, 1945
Daly City Fire Department,
Daly City, Calif.
Dear Sirs:

I wish to thank the fire department for their prompt and efficient action in attending the fire at 154 San Diego avenue on September 28. Also wish to thank John Kapor for his efficiency.

Thanking you again,
Mrs. E. Lewis,
358 Hillside Boulevard,
Daly City.

Cancer Killer

Cancer is the greatest killer of women and the second greatest killer of men.

ATOMIC LIGHT

ATOMIC DISTURBANCES CAUSE VISIBLE LIGHT, X-RAYS AND RADIO WAVES. THESE ELECTRO-MAGNETIC WAVES ARE LIKE A GRAND PIANO OF 60 OCTAVES. VISIBLE LIGHT IS ONLY ONE OCTAVE.

ELECTRONS REVOLVE ABOUT NUCLEUS OF ATOMS. WHEN ELECTRONS CHANGE THEIR COURSE, ENERGY IS RELEASED IN FORM OF LIGHT, X-RAYS, RADIO WAVES AND OTHER RADIATIONS.

SOME RAYS OF VISIBLE LIGHT HAVE FREQUENCIES OF 600,000,000 KILOCYCLES, AND WAVELENGTHS OF LESS THAN ONE FIFTY-THOUSANDTH OF AN INCH, ACCORDING TO THE BETTER VISION INSTITUTE.

BILLIONS OF IMPULSES OF LIGHT ENERGY FALL UPON EYES EVERY SECOND. MANY EYES NEED SPECTACLES TO ASSIST THEM IN CONDITIONING THE LIGHT FOR GOOD VISION.

Cubbies Practice For Their Movie 'Cubbie Capers'

Saturday afternoon, October 5, found the local cubbie group (pre-cub age boys) led by Joseph Straughan, at Hungry Hollow camp making tryout shots for the coming movie play "Cubbie Capers."

"Skygack," a pet sea gull, was one of the principal actors and gained the title of "bad actor" because of his incessant habit of biting his fellow actors. Only Cubbie Albert Lagomarsino was brave enough to handle the ornery critter.

"Cubbie Capers" is a camp comedy and depicts a gang of youngsters enjoying camp life. The camp cook is played by Neil Edwards jr., son of Group No. 141 Committee Chairman Neil H. Edwards. In one scene young Neil proceeds to prepare fish brought to camp by Don Curry and Robert Dizon when "Skygack" unceremoniously gobbles them up. "Shall I cook the sea gull?" he asks in bewilderment.

Harold Dimond, only cub in the cast, plays the part of Chief Setting Down, an Indian. Others in the tryouts were: Brower Dimond, Ralph North, Forest Wilcox, Ronald Jones and Skippy Jones.

Note: We learn that someone entered Mr. Straughan's home when he was away and took his movie camera, light meter and a supply of unexposed film as well as several reels of scout and cub movies. Mr. Straughan states that the camera is a Keystone 8 millimeter instrument with a 1.9 lens. It is believed that some small boys took the camera as other small trinkets were also missing. Anyone learning anything about the missing camera and other articles will confer a great favor by getting in touch with Mr. Straughan.

Automatic Checking Gains

The parcel-locker checking service is now handling over 37 million parcels annually, an increase of 600 per cent over 1931, when engineering practices were first applied to the business. A far cry from the original automatic lockers installed in 1809, today's carefully designed and located units are providing maximum service in over 2,000 locations despite wartime steel restrictions making new equipment impossible since 1941.

Freshen Teakettles

To freshen teakettles, boil a mild solution of vinegar and water in them.

NDGW Honors Grand Trustee Dorothy Donofrio

On Wednesday, October 3, El Carmelo Parlor No. 181, NDGW, was hostess to 95 members and guests who came to greet their esteemed member, Dorothy Donofrio, grand trustee.

The Blue Room of the Masonic temple was the scene of the reception and was accented by baskets of fuchsia and an umbrella plant.

The grand trustee, carrying a shower bouquet of red roses and wearing a print jersey dress, was escorted by President Margie Baker and corps of officers of El Carmelo Parlor.

An hour of program ensued, highlighted by the outstanding speech of the grand trustee who extended her thanks to the parlor and to grand parlor for the honor bestowed on her. She reviewed her career as a grand officer and told of the activities of the order. Her noteworthy thoughts and well chosen words held the assembled group spellbound.

The program opened with a solo, "Somewhere a Voice Is Calling," sung by Loretta Johnson. Adele Wood rendered piano selections and members of El Carmelo Parlor No. 256 NSGW were present and presented Grand Trustee Dorothy Donofrio with a gorgeous bouquet of gladiolas. Many grand officers and past grand officers were there and all made very interesting speeches and extended best wishes to Dorothy.

President Margie Baker introduced the organizer of El Carmelo and several chapter members who were present.

Candlelight greeted the guests when they reached the banquet room. A main table for 26 and 20 individual tables for four were artistically arranged. Refreshments and lovely favors were in order. The grand trustee was the recipient of many lovely gifts. Margaret Steele jr. was chairman of the evening and her job was well done.

On October 17, El Carmelo Parlor, NDGW, will hold an early meeting at 7:30 p. m. after which a monster public whist will be held. Refreshments will be served following the game.

Quick Freezing Tenderizes

Quick freezing makes meat tender. It is believed that the formation of ice crystals within the fibers of the meat, which result in splitting the fibers, bring about the "tenderizing."

SERGEANT PETER SILACCI SENDS PICTURES OF CHINESE IN KUNMING CELEBRATING THREE-DAY FESTIVAL ON V-J DAY

The following letter was received by the Record from Sergeant Peter Silacci, son of Mr. and Mrs. Peter Silacci, 50 First avenue.

"I thought you might be interested in a couple of pictures I took on the 3rd of September here in Kunming of the Chinese celebrating V-J Day. They had a three day festival and had parades through town all day long. They all consisted of dragons and carps. One picture is of a theatre with flags of the Big Four nations and a picture of Generalissimo Chiang Kai-shek.

"We (172nd General Hospital) were the first general hospital to

set up in China. We have been receiving American and British soldiers, civilians and priests who were prisoners of the Japanese for two and three and one half years. We keep them here for a while, give them what treatment they need, then send them on to the States.

"Ten months of my three years service have been spent overseas. "My mother sends me some articles cut from the Record every week and I enjoy them very much."

OPA Ceilings Hold On Building Needs

Anticipating a long-awaited building boom after October 15 when wartime War Production board restrictions on construction are laid aside, Charles Aikin, San Francisco district OPA price executive, reminded those associated with the building industry that OPA price ceilings governing materials and services are still in effect and will continue to be enforced.

"Contractors, electricians, painters, plumbers, bricklayers, cement, roofing and siding workers, carpenters, everyone associated with the building industry should check with OPA to determine the legal maximum price for materials and services," Aikin declared. "This precaution can save many from violation of price ceilings with which they may not now be familiar."

Aikin stated that it is evident from the volume of inquiries received from both prospective home-builders and those associated with the industry that a false impression was created with the announcement that all WPB building restrictions would be lifted on October 15, resulting in many having the mistaken belief that OPA price ceilings also would be removed.

Woodrow Wilson PTA Meets At Mrs. Hanleys' Home

The executive board of Woodrow Wilson PTA met at the home of Mrs. Ida Hanley, October 9, at 12:30, for luncheon and sewing. Cohostesses with Mrs. Hanley were Mrs. Catherine Foreman and Mrs. Martha Linden.

At the business meeting conducted by Hazel Marsh, president, final plans for the joint meeting with other units in the district on Tuesday evening, 7:30, October 16 at Jefferson Union High school, were discussed. Also final plans for the magazine whist to be held October 25 at the home of Mrs. Eleanor Meadows, 751 Niantic avenue, were made.

All members were asked to try to attend the 17th district meeting to be held at 10 a. m., October 18 at Jefferson Union High school.

A donation was sent to the San Mateo County War Chest from the unit.

A committee headed by Mrs. Irene Williams, vice-president, was selected to make plans for the mothers and teachers tea to be held at Woodrow Wilson school in November.

General Pershing Parent-Teachers Met October 2nd

The regular monthly meeting of General Pershing PTA was held at the school, October 2, at 1:30 p. m.

Mrs. Mildred Bectel was in charge in the absence of Mrs. Eunice Robinson who has resigned and moved from Daly City. Salute to the flag was led by Mrs. Alice Greep, citizen chairman.

Mrs. Edna Eichinger gave a report on the 17th district meeting which she attended.

R. L. Crane, the guest speaker, gave an interesting talk about the X-ray mobile unit which recently visited Daly City schools. He stressed the importance of chest X-rays for all school children in our community.

The following members, recommended by the executive board, were elected to replace officers who have resigned and left the city: Mrs. Elizabeth Duckering, president; Mrs. Edna Eichinger, vice-president; Mrs. Frances Nensiel, recording secretary; Mrs. Thelma Holcomb, corresponding secretary; and Mrs. Alice Greep, financial secretary. The new officers were installed by Mrs. Benz, health director of the 17th district.

Cake and coffee were served at the close of the meeting.

A hallowe'en party is being planned for the pupils of Pershing school.

Mrs. Thelma Holcomb, magazine chairman, wishes to remind everyone of her magazine whist party to be held at the school on the evening of Wednesday, October 24 at 7:30 p. m.

Campaign Bars To Be Awarded Group 141 Scouts

Group No. 141 Boy Scouts, Cubs and Cubbies who helped with the Camp Boy Joy building fund will be given colored bars designating the amount of their contribution. The bars are to be worn on the uniform. A boy may contribute cash and is credited for money given by his parents or friends. He is also credited for old newspapers collected and turned in. Quite a number of boys have already started on their \$5 unit and will soon be displaying their red, white and blue bars.

Friday, October 12 is the date set for the monthly Cub Pack meeting. Cubs Walter Bjerke and Floyd Leonard of Den No. 6 will receive their bear badges, both having completed the requirements for that rank.

Bobby Bledsoe, 240 Los Olivos avenue, has completed his Bob Cat test and will be inducted into the Cub Pack at this meeting. Bobby has been selected to play the leading part, that of Flying Arrow in an Indian movie, "The Evil Vine," now being filmed by the Cub Pack. He will be ably supported by Cub George Pedroni as Yellow Feather and Mary Jones, local Brownie, as Moonflower. Others in the cast thus far selected are: Cubs—Frank Van Dusen, old time telegraph operator; David Guido, Indian chief, and Floyd Leonard, construction crew foreman. Albert Lagomarsino of the cubbies will play the chief's son.

Alois H. Lang Jr. Is Discharged From U. S. Army

Alois H. Lang jr., son of Mrs. Della Lang, 14 Alp avenue was honorably discharged from the Army on September 23 after more than four years of service.

Entering the Army in July 1941, T/Sergeant Lang received his basic training at Fort Leonard Woods, Waynsville, Missouri.

On September 15 he arrived in New York aboard the S. S. General Stewart and on September 21 he arrived at Camp Beale, Marysville and was discharged two days later.

He is the proud possessor of the North American Theatre of operations, the American Defense and European Theatre of operation ribbons, the good conduct medal, a bronze star for meritorious service and four battle stars on the European Theatre ribbon for participation in the battles of Northern France, the Rhineland and Central and Eastern Europe.

OFF THE BLOTTER...

Mrs. Dora Bacigalupi, 28 Los Olivos avenue brought her son Paul, age 9 to Hillcrest drive and Mission street and told an officer that he had taken ant poison. He was taken to the Alemany hospital where he went through the unpleasant ordeal of having his stomach pumped out.

Mrs. Mary Shola, 147 Knowles avenue was knocked down in front of Nick's store on Hillcrest drive by Mitchell Shole, 31 Hillcrest drive on October 6. After reporting the incident to the police department she secured a warrant for his arrest. Officer Roy Beecher arrested Shola on charges of misdemeanor. Shola was released on payment of \$100 cash bail and will appear before Judge William J. Sweeney in city court Friday, October 19 at 2:30 p. m.

While patrolling, Officer Henry Sundermann noticed a teen age boy driving a Ford convertible coupe, which had been reported stolen by the San Francisco police department, north on Mission street. After questioning, the youngster was turned over to officers of Potrero station and the owner, Albert Markarian, 4747 Geary boulevard was given a release for his car.

Mrs. Martha Preciado, 47 Willits street notified the police department that her black scotch terrier, who answers to the name Rufus, disappeared on October 7.

On October 8 Julia Martinelli, 381 Railroad avenue and Eleanor Rose Davis, 94 Peoria street were involved in an automobile accident at the intersection of Brunswick street and Evergreen avenue resulting in property damage to both cars. The Martinelli car was taken to the AAA's and Mrs. Davis' car was placed in Mather's garage.

On October 9 Charles Goans, 50 Theta avenue contacted the police department stating that Mrs. Wagner of the same address had fallen and injured herself. Dr. Budaeff was summoned and advised officers not to move her as she might have sustained a broken back. As she was entitled to hospital service by the Navy, Chief Bolger contacted Mrs. Bristow of the Red Cross in Burlingame and the case was left in her hands.

Mrs. Anna Bencharski, 370 Hillside boulevard phoned and asked for medical assistance for Mrs. Rose Mitchell, her mother who was suffering from a heart attack and stroke. No doctors were available, therefore Officers E. Beecher and Henry Sundermann as well as James Smith responded with the ambulance and respirator from Company No. 1 fire truck and rendered first aid. Joseph Sarto of the Villa Sanitarium was also called in to help.

At the request of Mrs. Gelsi of Gelsi's Tavern, 6278 Mission street, Henry Mack, 269 Hillcrest drive was taken to Alemany hospital by Emil Bertelli and John Kapor after he had fallen from a stool

Ensign A. Rigler And Lenore Ross Are Wed October 4

On the silver wedding anniversary of Mr. and Mrs. Don B. Rigler, 123 Vista Grande avenue, their son Ensign Allen B. Rigler, U. S. Navy air corps, claimed Lenore Ross as his bride.

Lakeside Chapel, 19th and Ocean avenues was the ceremony locale on Thursday, October 4 for the double ring nuptials of the young couple. Officiating was the Reverend Harry Rogers.

The bride, daughter of Mr. and Mrs. William C. Ross of Brisbane wore a gold colored suit with brown accessories.

Sole attendant for the bride was her sister, Louise Ross.

Best man duties were performed by James McKinnon.

The groom, who has a ten day leave, arrived home Tuesday, October 2. He has been in the service approximately two and one-half years.

A reception followed the ceremony at the home of the bride's parents.

The young couple left on October 5 by plane for New York where they will spend their honeymoon, following which they will go to Chincoteague, Virginia where the groom is stationed.

Lenore and Allen are both graduates of Jefferson Union High school. Lenore was student body president for the class of 1943.

in her place of business and injured his head. He was later transferred to the Community hospital.

Paul Lucas, age 67, 175 West Moltke street suffered a heart attack on October 10 and had apparently passed away. However, in response to a phone call he was taken to the South San Francisco hospital in the county ambulance by Emil Bertelli. Upon arrival he was pronounced dead and the body was taken to the mortuary of W. C. Lasswell and company. The family asked officers to try and contact Walter J. Lucas, a son, who is aboard the fishing ship Excel. North Point was contacted and they reported the ship is on the way, a message had been sent and they were certain he received it.

Nick Gust of Rockaway Beach notified the local authorities that while his 1941 Chevrolet convertible coupe was parked in front of 31 Hillcrest drive some one stole the hub caps and fender skirts.

Lorne Shaw, 280 Hillside boulevard reported his accordion had been stolen sometime within the last three weeks. Previously when two women were residing at this address a fur coat and a Kolinsky neck piece were taken.

War Department Affirms Death of Lt. David Grenier

The following letter was received by Mrs. Thelma M. Grenier from Major General Edward F. Witsell:

"Since your husband, Second Lieutenant David A. Grenier, U. S. Air Corps, was reported missing in action September 28, 1944, the War Department has entertained the hope that he survived and that information would be revealed dispelling the uncertainty surrounding his absence. However, as in many cases, the conditions of warfare deny us such information. The record concerning your husband shows that he was the copilot of a B-17 (Flying Fortress) bomber which participated in a bombing mission to Magdeburg, Germany. Before our planes reached the target, when they were about 20 miles east of Magdeburg, they were attacked by enemy planes. Your husband's plane was damaged in this attack, it burst into flames, exploded and fell to earth. All the other crew members were reported killed in action with the exception of Staff Sergeant Ray A. Miller who was blown clear of the aircraft in the explosion and who has now returned to the United States.

"Full consideration has been given to all available information bearing on the absence of your husband. In view of the fact that 12 months have expired without receipt of evidence to support a continued presumption of survival, the War Department must terminate such absence by a presumptive finding of death.

"I regret the necessity of this message but trust that the ending of a long period of uncertainty may give at least some small measure of consolation. I hope you may find sustaining comfort in the thought that the uncertainty with which war has surrounded the absence of your husband has enhanced the honor of his service to his country and of his sacrifice."

Second Lieutenant David A. Grenier is survived by his widow, Mrs. Thelma M. Grenier of Long Beach, California; two brothers, Charles and Leo, and his mother Mrs. Mary Neel, 1130 Brunswick street.

Crocker Chapter Makes Plans For October 15 Whist

Following the stated meeting, Monday, October 15, Crocker Chapter No. 382, Order of the Eastern Star, will give a whist party at Masonic hall, 17 Hillcrest drive.

The committee is comprised of: Janet Turner, Isabelle Malone, Victoria Grover, Margaret Archer, Jeanette Fischer, Yolanda Strand, Alice Prescott, Robert Heeringa, and James B. Reeves.

Refreshments will be served following the game. This is expected to be a big fulfilled affair.

—Your National War Chest drive is on—
Give enough.

How hot breads can enhance your meals

Hot muffins and rolls give that extra fillip to the meals you'll be serving these Fall days when there's just a hint of frost in the air. While dinner is in the making make full use of your oven heat by baking some of the old favorites listed below.

Hamburger Muffins make a main dish in themselves. Brown $\frac{3}{4}$ to 1 pound hamburger in frying pan, sprinkling lightly with poultry seasoning, salt and pepper. Add to your favorite muffin batter.

Spoon into greased muffin pans, filling $\frac{3}{4}$ full. Bake in moderately hot oven, (425° F) 25 minutes or until done. Make gravy with meat drippings, and serve over muffins. Serves 6.

Surprise Muffins are a treat for a special breakfast. Break them open for the surprise inside. Spoon muffin batter into well greased muffin pans; place $\frac{1}{2}$ teaspoon jam or jelly on top. Bake in a moderately hot oven (425° F) 20 minutes. Makes 12 muffins.

Tomato Biscuits give flavor and color to old standbys. Simply use tomato juice instead of milk in a standard baking powder biscuit recipe. A few caraway seeds sprinkled on top of the biscuits add flavor interest too.

Cheese Drop Biscuits are quick and easy. Add $\frac{1}{2}$ cup grated cheese to dry ingredients in baking powder biscuit recipe and then increase the milk so that the dough is quite soft. Drop by spoonfuls on baking sheet. Bake in a hot oven (450° F) 12 to 15 minutes. These biscuits also make a good topping for a meat or chicken pie. Drop on hot filling in casserole and bake as above.

Supper Rolls—Place $\frac{1}{4}$ cup shortening; 1 teaspoon salt and 2 tablespoons sugar into large bowl and add $1\frac{1}{4}$ cups lukewarm water; stir well. Stir in one beaten egg and one cake fresh yeast crumbled. Add $3\frac{1}{2}$ cups sifted all-purpose flour all at once and beat with fork to make a soft dough. Spoon batter into well-greased muffin pans, filling half full. Cover with a damp cloth and let rise about 1 hour, or until light. Bake in moderately hot oven (425° F) 20 minutes or until lightly browned. Makes 18 rolls.

That's it, exactly! You know best how much your family can use. And pound pricing is your assurance of full value received. You select exactly what you need and pay for it by the pound. No food wasted—no money wasted.

SAFEGWAY

NOTES FROM JEFF HI

Assembled by Hazel Hendrickson
Of the Totem Pole Staff
Supt. Hannah Attends
Conference in Sacramento

Many good speakers were heard at the conference of superintendents at Sacramento, Wednesday, Thursday, and Friday of last week, by the 500 school men and 300 trustees assembled. District Superintendent Stanford Hannah reported the educational gathering as an excellent one.

Dr. Sproul described his trip to Russia, where he went as a member of the reparations commission, for which he was selected by President Truman. The Russian methods of flying actually frightened him. He visited London, England, Frankfurt and other German cities, after they had been bombed, but found the destruction of the German cities greatly exceeded that of London.

Dr. Sproul says that Stalin has two main objectives he wishes to achieve with the Russian people, to increase his hold on them and to promote their general welfare. For this reason, the speaker thinks Stalin will remain friendly with the United States.

"It is almost impossible to directly contact the Russian people," reported Dr. Sproul, "although they are friendly to the Americans, because outside influence upon the Russians is not desired by their government. This makes it difficult for the Russians and Americans to understand each other."

One of the other best speakers, according to Mr. Hannah, was Dr. Sutton, who stressed the economic value of education and stated that the more educated people there are, the more goods will be purchased and sold, and the higher the standard of living will become.

A fine movie, historic and scenic, was shown in assembly, Tuesday, featuring a number of Presidents and Washington, D. C.

Mr. Hannah left by United Airways, at 5:30, Monday evening, for Velvidere, Illinois, where his foster-mother was reported to be very seriously ill.

Totem Pole Staff

Editor, boys' sports, R. Johnke; co-editor, secretary, B. Pistohl; copy editor, circulation manager, L. Gamba; features, art, A. D'Isep; girls' sports, H. Hendrickson; clubs, departments, C. Robin; columnists, D. Wheeler, H. Emerson; assistant boys' sports, Clarence de Lannoy; printers, Shirley Davis, Barbara Ford, Gloria Bacigalupi, Eva Claus, Marilyn Mosman; associate staff, E. Hukari, G. Guttman, T. Brandt; printing adviser, M. Rendeau; editorial adviser, M. B. Nelson.

Entertainment Committee

The entertainment committee announced that this term's chairman is Alice D'Isep and the secretary-treasurer is Hazel Hendrickson. Instead of choosing new members, the committee voted to let the ones on the list, read in assembly, try out until after the first dance. It was decided that the first dance would be held on October 19.

The advisors for the entertainment committee are Miss Kaiser, Miss Seidel, Mr. McCarthy, Mr. Miguel, and Mr. Rote. With the students cooperation, the committee feels sure that the coming dances will be successful.

Student Body Officers

Harold Tikkanen, president for the fall semester, has always been active in the student body. He has served two years on the executive board, one year on the sergeant-at-arms committee and two years on the school entertainment committee.

Harold is a popular athlete who is from Brisbane. He played 130's basketball, varsity baseball, and is again out for varsity football this year.

When asked about his ambition he laughed and said, "President of the United States." He has no hobby except being nice to all girls and trying to understand them, which he claims will take a lifetime. He will be assisted this year by Louise Ross, vice president; Frances Crossley, secretary; Mary Shackelford, treasurer; Walter Shannon, sergeant-at-arms; Lorraine Sanders, judge and Colleen Robin, head cheer leader.

First Home Court Tilt With Commerce

Thursday, September 20 at 3:15, in the Jefferson gym, the first practice game of the 110 and 120

cagers was played against Commerce.

The Jeff's 20's, while playing a good game, couldn't seem to stop Commerce from connecting a few more than they could. The final score was 21-9.

Jeff's lineup was Shannon, G; Barros, F; Harju, G; Robinson, F; and E. Gigli, G. Subs: Gusti, F; Gigli, Garcia and De Salvatore. Most of these fellows are experienced players from last years 110's.

High point men were Barros and Robinson.

Outstanding Commerce players were Bob, Howard and Jesse Jones.

Papooses were defeated by Commerce, 12-2. They are all inexperienced except Micheletti.

Held scoreless in the first half, the Papooses lone bucket was made by the Colma wonder Stanghellini.

Starting lineups were Attensia, G; Lammond, F; Micheletti, G; Silacci, F; and Stanghellini, G. Subs: Lufano, Rud, Craviotto, and G. Gigli.

Meet the New Coaches

Meet Coach Kamm beginning his first year as head of the physical education department of Jefferson Union High school. The student body and faculty alike wish to extend their welcome and assistance to him in his work here.

He coached last year at Capistrano Union High school. Previous to that until 1942, he was in the retail dairy business in Wisconsin. During '42, '43, and '44, he served as a lieutenant in the anti-aircraft corps of the army.

Mr. Binsacca, also new at Jefferson Union High school, is a graduate of the University of California. Binsacca coached the freshman and sophomore football teams at San Mateo High school last year. Besides assisting Coach Kamm, Mr. Binsacca teaches mechanical drawing and general mathematics.

Dramatics Class

Lights! Camera! Action! These are the words of the dramatics class since school has begun. Temporary parts have been given to the actors for "Uncle Bob's Bride," the first play of the semester to be presented on the campus in the near future.

Bug Club

Miss Philbrick, the newly adopted mother or adviser of the JNS, Jefferson's Naturalist Society, has succeeded Miss Briggs, last year's adviser.

These bugologists have been seeking new "Buggy" people to occupy the places that were left vacant after last June's graduation. The discoveries will soon be announced.

The JNS is in its fourth year and consists of students interested in biology. Membership is by invitation only.

Class Officers

Freshman class—President, M. Stanghellini; vice-president, B. Denton; secretary-treasurer, W. Gull; adviser, Miss Van Note.

Sophomore class—President, O. Giusti; vice-president, D. Wilson; secretary-treasurer, B. Lazzerini; adviser, Mr. Hansen.

Junior class—President, M. Curtis; vice-president, B. Pistohl; secretary-treasurer, F. Cottor; adviser, Mrs. Smith.

Low seniors—President, H. Kinsey; vice president, B. Callen, secretary-treasurer, E. Clem; adviser, Mrs. Schettler.

High seniors—President, C. Hyder, vice-president, T. DeLeon; secretary-treasurer, P. Hallas; adviser, Mrs. Reandean.

Rots Leather

Never wear shoes over bare feet, not even when substituting make-up for stockings. Wear peds or socks to absorb foot perspiration because perspiration has an alkaline effect which is very bad for leather. With leather high on the list of materials needed by the armed forces, civilians must take every possible precaution to keep shoes in good condition. The invisible peds and the socks should be washed after every wearing, particularly when worn with open-toe and open-heel sports shoes. Women should be just as dainty about these brief foot coverings as they are with full length hose.

Slit Apples

To prevent apple skins from wrinkling during baking, slit skins in three or four places.

John Kollmann Returns From Overseas Duty

Santa Barbara, Calif., Oct. 3.—Pfc. John C. Kollmann, of Daly City, son of Mr. and Mrs. John J. Kollman, 162 Parkview avenue has reported to the Army Ground and Service Forces Redistribution Station here for two weeks of rest and relaxation at this southern California city's famed resort-hotels, now under Army management. The veteran recently returned from eight months' overseas duty in Europe.

The Ninth Service Command station, one of six established across the nation, offers a comprehensive program of recreation, athletics, and entertainment to returnee guests.

Bay Area Teachers Hold Meeting At San Francisco Hotel

The Bay Section council of the California Teachers association met in the Sir Francis Drake hotel, Saturday, October 6, President Wallace W. Hall presiding, with approximately 160 members in attendance. They represented kindergarten, elementary, high school, and junior college teachers, supervisors, and city and county superintendents of schools. Committee reports indicated that our schools would benefit by more attention to better working conditions in the classroom for the children, a 24-hour school for children who need it, a continued opportunity for servicemen and others in adult education and junior college fields, a thorough study of the consolidation of one-teacher school districts, and problems of a similar nature.

A detailed report by Roy W. Cloud was presented to the council at the request of the executive committee, concerning the outcome of the Strayer study of the public schools. Mr. Cloud emphasized the benefits which the children of California will receive through the operation of this new legislation.

The next meeting of the council will be held December 1 in San Francisco.

Calumet Council To Sponsor Whist Tuesday, October 23

Calumet Council No. 66, Degree of Pochontas held their regular meeting Tuesday, October 9 at the Swedish-American hall, 2174 Market street.

Following the next regular meeting on October 23 a whist party will be given to which the public is cordially invited.

Keeper of records, Mrs. Olive Cheek, while on a week's vacation at Chico, California, visited Oleta Council No. 153 and brought back a very interesting report.

UNITED AIR LINES OFFERS JOBS TO WAR VETERANS

If you have just received your honorable discharge or are about to receive it, and are wondering what you are going to do in civilian life, you should consider the many opportunities United Air Lines offer men who are leaving the Armed Forces.

The fact is—your training and experience will help you "go places" in this rapidly growing industry. And there certainly is a future with United... expansion plans for the next five years call for operations three times as great as now.

Among the positions open today are station agents, ticket agents, clerical workers, stock clerks and supply men, cargo workers, commissary cooks and bakers, and many others.

To promote the welfare of its employees, United maintains an unusual program consisting of many benefits, services, and privileges.

Apply at United Air Lines—San Francisco, 421 Powell Street, or San Francisco Airport, Bayshore Blvd. at San Bruno Ave. Write if it is not convenient to call in person.

Crocker P. T. A. Hears of Mobile X-Ray Laboratory

The regular meeting of Crocker PTA was called to order Thursday, October 9, by President Eva Hobbs at 1:45 p. m., following which Mrs. Marie Gehrig led the pledge to the flag and the collect was read in unison.

Mrs. L. G. Evans, district president, discussed the year book and Mrs. Fawn Tuska gave a few suggestions on school programs.

Mrs. Ann Eason was appointed to prepare a Christmas package to cheer some unknown soldier overseas.

R. L. Crane jr., superintendent of Jefferson Elementary school district, explained the advantages of having X-rays taken periodically for the prevention of tuberculosis. On Monday, October 15, pupils of the 5th, 6th, 7th and 8th grades of the elementary schools and the 10th grade of the high school, whose parents have given the required consent will be X-rayed for chest and spinal defects.

Mrs. Ruth Morris and Mrs. Eleanor Carle are to assist at the time the Mobile Laboratory is here.

The Crocker unit decided to donate \$5 to the War Chest.

Five dollars was contributed to the "Sight Saving Class of San Mateo county" as Crocker's share towards providing special textbooks, special lighting and teachers for children with impaired vision.

The meeting adjourned at 3 p. m. after which coffee and cake were served.

Tuesday, October 16, the Crocker unit will participate in a joint meeting of all PTA groups from the various schools in a fathers' night program. Mrs. Vivian Pahika, Mrs. Florence McKay and Mrs. Hazel Cassasa will serve as hostesses.

Thursday, October 18, there will be a Seventeenth District California Congress of Parents and Teachers meeting at Jefferson

Notice of Trustee's Sale

On Friday, the 2nd day of November, 1945, at 10:00 o'clock a. m. of said day, at Peninsula Title Guaranty Company, 2426 Broadway, in the City of Redwood City, County of San Mateo, State of California, CITY TITLE INSURANCE COMPANY, a California corporation, as trustee, will sell at auction to the highest bidder, for cash in lawful money of the United States, the following described property in City of Daly City, County of San Mateo, State of California, to wit:

Lot No. 33 in Block No. 2, as shown on that certain map entitled "Homestead Realty Co.'s Subdivision of Lots 140 to 153 inclusive, West End Homestead Association, Daly City, San Mateo County," filed in the office of the County Recorder of San Mateo County, July 31, 1912 in Book 8 of Maps at page 17.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Jerry A. Flood and Betty L. Flood, his wife, to City Title Insurance Company, a California corporation, as trustee for the benefit and security of Jose M. Malo and Matilda Malo, his wife, in joint tenancy, dated September 18th, 1944 and recorded in the office of the Recorder of the County of San Mateo, State of California, on September 23rd, 1944 in Volume 1140 of Official Records at page 232.

Notice of breach of said obligation and election to sell said real property was recorded in the office of the aforesaid Recorder on the 22nd day of June, 1945, in Volume 1191 of Official Records at page 203 thereof. This notice is given in compliance with the demand heretofore made on CITY TITLE INSURANCE COMPANY, a California corporation, as trustee, by Jose M. Malo and Matilda Malo, his wife, in joint tenancy, as beneficiaries under the aforesaid deed of trust.

Dated: October 3rd, 1945.
CITY TITLE INSURANCE COMPANY, a California corporation, Trustee.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933,

Of Daly City Record published weekly at Daly City, California for October 1, 1945.

State of California, County of San Mateo—ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Harold P. Bradshaw, who, having been duly sworn according to law, deposes and says that he is the Publisher of the Daly City Record and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher—Harold P. Bradshaw, 3317 San Jose Avenue, Daly City, California.

Editor—Harold P. Bradshaw, 3317 San Jose Avenue, Daly City, California.

Managing Editor—Harold P. Bradshaw, 3317 San Jose Avenue, Daly City, California.

Business Manager—Harold P. Bradshaw, 3317 San Jose Avenue, Daly City, California.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern its name and address, as well as those of each individual member, must be given.)

J. W. Marchbanks, 3317 San Jose Avenue, Daly City, California.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

None.

4. That the two paragraphs next above, giving names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is:

(This information is required from daily publications only.)

HAROLD P. BRADSHAW.
Sworn to and subscribed before me this 24th day of September, 1945.

(SEAL) JOHN J. FAHEY
(My commission expires March 2, 1947.)

Girl Scouts of Troop Number 3 Celebrate Birthday

Girl Scout Troop No. 3 celebrated its first birthday on October 8 at 3:30 p. m. with a party at the home of Beverly Heagney, 117 Miriam street.

Entertainment and refreshments were furnished by the girls in the troop and the entertainment included a number of scout songs by the entire troop, acrobatic dancing by Corrine Noble, and a play written and performed by the Chipmunk Patrol.

Fourteen girls were present, including Loretta DeBello, Beverly Heagney, Barbara Hesselein, Beverly Keagle, Eleanor Brown, Dorothy Boyle, Jean Murphy, Josephine Murphy, Corrine Noble, Joyce Morgan, Joy Hagglund, Shirley Neumann, Viola Proschold and Nadine Ward.

Two girls, Loretta DeBello and Dorothy Boyle were voted the two best scouts in the troop and were presented with lovely crowns by other members of the troop. Year pins were awarded to those who had been members of the troop for the full year and a hostess badge was awarded to Loretta DeBello upon completion of ten activities in this particular field of home-making.

Guests of honor were the two leaders, Mrs. Elsie Hesselein and Mrs. Ethel Proschold, Mrs. Mildred Morgan, who will assist in this troop beginning next week, and also Mrs. Hilda Heagney, upon whom fell most of the cleaning up after the party.

Refreshments included root beer, sandwiches, gelatin fruit salad, potato chips, olives and homemade cakes.

Misname Hats

Panama hats did not originate in Panama, but in Ecuador, which is still the chief center for their manufacture.

James Farras Receives Discharge At Camp Roberts

T/S James Farras, 6259 Mission street, was discharged from Camp Roberts September 29, under the point system, having acquired 83 points.

He has been in the service three years and nine months, 22 months of which were served in the Aleutians. He arrived back in the states in March of 1944. At the expiration of his 20-day furlough he reported to Camp White, Oregon for reassignment to Camp Roberts where he was an instructor in heavy weapons for 18 months.

He is the proud possessor of the Asiatic campaign ribbon with a bronze star and the Good Conduct medal.

Farras is the husband of the former Helen Pappolias, a well-known local girl.

Service Personnel Are Wed Here By Local Pastor

Principals in a service set romance are Specialist 1/c Lucille Bagley Holmes of the Spaars, and Pharmacist Mate 2/c Kirby E. J. Major, USNR, who joined wedded ranks October 5 at a ceremony performed in the Grace Presbyterian parsonage. Dr. William Harberts officiated.

The bride's only attendant was her aunt, Mrs. Herbert F. Stewart. Best man was Herbert F. Stewart, 1052 Brunswick street.

The home town of the bride is Cedar Rapids, Iowa and the groom, who has served three and one-half years overseas in the Pacific theatre, is from Dupont, Louisiana.

Following the uniformed, double ring ceremony the newlyweds left for a short honeymoon after which they will return to active service.

Repeal of Auto Use Tax Strongly Urged

Vigorous action to bring about repeal of the \$5 Federal use tax on motor vehicles before the tax becomes payable, is being taken on behalf of 25,000,000 motor vehicle owners, it is announced by the California State Automobile association. Through the American Automobile association, representing 750 affiliated clubs with more than a million automobile-owning members, opposition to continuance of this "nuisance" tax is being placed before Congress, so that its repeal can be considered in connection with the current tax-reduction movement.

Mr. and Mrs. Dotson Celebrate 25 Years Of Wedded Life

Mr. and Mrs. C. E. Dotson (Jeanne and Ted) 43 Vendome avenue entertained their friends at a turkey dinner on Saturday, September 29, on the occasion of their silver wedding anniversary. They were married in 1920 at Saskatoon, Sack., Canada a year after Mr. Dotson returned from four years overseas service with the Canadian Army service corps in World War I.

The couple proudly claim American citizenship for many years.

STOP-GO WEARS TIRES

Government tests simulating city traffic conditions indicated the rate of tire wear was seven times that of normal driving on rural pavement at 25 miles per hour, according to the California State Automobile association. Motorists operating cars in city traffic can help save precious rubber by avoiding quick stops and starts. By glancing ahead and noting that the traffic light is red, and by being on alert for stops, a good driver releases the accelerator and uses engine compression to slow down gradually.

COUNCIL

(Continued from Page 1)

sion street and Hillcrest drive on stop "Red."

4—That the first operation relative to the alarm system be started as soon as possible, as \$6,000 has been appropriated for the beginning of this operation.

5—That diagonal parking of vehicles between Mission street and Mission circle be changed to curb parking, in order that this street may be wider and simplify the passing of vehicles, especially the fire apparatus.

The council's decisions were as follows with reference to items 1 and 2: the council will not adopt civil service rules and regulations or classification of employees until the fire commissioners have had a meeting with the board of review.

3—The matter was referred to the city engineer.

4—A motion was made by Councilman Craig to advertise for bids for the installation of the first unit of the alarm system.

5—The matter of diagonal parking was referred to Councilman Lynch.

The city clerk was instructed to notify the Board of Fire commissioners that their request for an eligibility list in order to fill three vacancies in Company No. 1, cannot be granted as there is none available, however, he is to send the names of the applicants on file.

An application from Charles B. Monday, 360 San Diego avenue for a position in the police department was ordered placed on file.

A contribution of \$50 toward the Community War Chest was authorized with instruction to the city clerk to turn the check over to Mrs. Muriele Pabst, local chairman.

A communication from the League of California Cities relative to a federal surplus property meeting to be held in San Francisco, October 16 at 10 a. m. in the city hall was referred to the purchasing agent.

The gasoline consumption and health department reports were read and ordered filed.

A combined housing, sanitary, fire and building inspection report on premises located at 96 Mission circle, listing 23 violations was read. Fred Collins of the health department stated he had contacted L. V. Roberts, owner of the building, who had agreed to correct the violations.

Councilman Lynch reported that after considerable research and discussion it has been decided to prepare an ordinance regulating taxi cab operations in Daly City. The ordinance is to be read at the next regular meeting.

In regard to the conditions of the recreation building at 101 Parkview avenue he stated that upon contacting members of the State Guard, who share the premises once a week with the Boy Scouts and Girl Scouts, the blame was shifted from one group to the other and no satisfactory conclusion was reached. He stated that as soon as Company No. 3 firehouse becomes available, it is his suggestion that this building be turned over to the Girl Scouts for their own exclusive use.

It was called to the attention of the council that one window lock at the recreation building is broken and anyone can easily enter the place. A. J. Bodien was instructed to see that all the window locks are repaired.

Councilman Craig reported that the plumbing ordinance will be ready for adoption at the next regular meeting. Also that within the near future the council will meet with county officials to discuss a uniform electrical code.

The city clerk suggested that old ordinances which might conflict with new ones be recinded.

Resolution No. 886 authorizing the city to accept county warrants in the amounts of \$297.78 and \$284.46 in payment of delinquent taxes and street assessments against lot 19, block 26, Crocker Tract, lot 3, block 4, Metropolis Homestead and lot 41, block 20 Resub of Union Park was passed and adopted by a unanimous vote of the council.

The city attorney was directed to prepare a resolution whereby the city will sell the remaining portion of lot 88, block C, Mission Street tract, located on the northeast corner of Los Olivos and Niantic avenues to Ethel Sutton for the sum of \$450. The city clerk was instructed to accept a 10 per cent deposit.

City claims were read and authorized paid.

Wet Shoes

Stuff wet shoes with paper and allow them to dry slowly.

O. L. P. H. Mothers Club To Hold Whist Party

The Mothers club of Our Lady of Perpetual Help school will hold a benefit whist for the coming bazaar at 601 Hanover street on October 19 at 8:30 p. m.

Mrs. L. Marriscola and Mrs. H. E. Watt will be co-chairman for the affair.

Uncle Sam Trying To Return Money To Calif. Taxpayers

Uncle Sam is anxious to give away approximately \$4,000,000 to Northern California taxpayers, James G. Smyth, collector of internal revenue for the First California district, said today in San Francisco.

More than 40,000 refund checks on overpayments of 1944 income tax returns are in the Internal Revenue Office in San Francisco. These checks, on the completion of the processing of 1944 tax returns, have been sent to taxpayers as refunds on income tax overpayments on the 1944 earnings. They have been returned to the Internal Revenue offices in San Francisco owing to the lack of correct mailing addresses of the persons due to receive the refunds.

Collector Smyth pointed out that refund checks are not forwarded through the mail, unless official notification has been received by the Post Office department, but are returned and held until the taxpayer notifies the Collector of Internal Revenue of the district in which the return was filed, of his new address.

Persons who have moved, or changed their address since filing their 1944 income tax returns should send a letter to the Collector of Internal Revenue, giving the address under which the return was filed and also their new address. Care should be used in distinguishing between the previous address and the present address.

Refund checks are held in the Internal Revenue offices for one year. At the conclusion of this time they are put into the general fund as unclaimed. Collector Smyth said that unless the taxpayers immediately inform the Internal Revenue of their new addresses, it is entirely possible that many will fail to receive their refund checks.

In the First California district more than 66 taxpayers have received \$37,631,471.84 on overpayments on their 1944 income tax returns. All refund checks on 1944 filing have been sent taxpayers with the exception of those returned for lack of proper address.

Beet Named for Beta

The name "beet" comes from the fact that when the seed pods of this vegetable begin to swell, they resemble the Greek letter "beta."

Explain Cause Of Increase In S. M. County Tax Rate

The increase of 20.76 cents per \$100 of assessed valuation in San Mateo county's property tax rate for general purposes this year was caused by a variety of ups and downs in the amount of rate needed for different county funds, California Taxpayers' association said today, making public its analysis of the reasons for changes in county tax rates. The county general purposes rate went from \$1.1485 for 1944-45 to \$1.3561 for 1945-46.

Major increases in funds which caused the tax rate to go up included general fund, 5.12 cents; salary, 9.43 cents; social welfare, 2.93 cents; relief home construction, 1.85 cents.

Increases or decreases in fund demands which affected the tax rate by less than one cent are not included in this discussion, the association said.

"Considered judgment of citizens and taxpayers is going to be a constant necessity, if tax demands are to stay within reason during the present transition period from war to peace," the Taxpayers' association said. "This transition period may last several years. Citizens should keep themselves informed on all proposals for expansions in their local governments, either in present services, salary and other expenditure levels, or new services. The federal government will be going through a struggle in trying to sweat itself down from its present war-swollen proportions. Local governments should not be allowed to expand unnecessarily."

Arthur Linhares Expects Discharge About November 1

T/S Arthur G. Linhares, son of Mr. and Mrs. Louis E. Linhares, 176 Los Banos avenue, was flown here from overseas by Air Transport Command's Caribbean Division planes to Miami Army Air Field arriving back in the states on September 28.

In less than 24 hours he left for Camp Blanding, Florida, by rail. From there he went to Camp Beale and was granted a 45-day furlough at the expiration of which he will report back to Camp Beale to be discharged on November 1.

Linhares has served 29 months overseas duty in the European Theatre and South Atlantic Theatre of operations with the Military Police outfit of the Army Air Corps.

He is entitled to wear the Good Conduct, American theatre and European theatre of operations ribbon.

Troop 6 Girl Scouts Plan Hallowe'en Dance

Senior Girl Scouts Troop No. 6 met Monday, October 8 in the Little Theatre at Jefferson Union High school.

They made plans for a Hallowe'en barn dance to be held at the Theta clubhouse, Theta avenue and Mission street, Saturday, October 27, 8:30 p. m.

Lorin Martinelli Now In Tokyo Bay Landing Troops

On the USS Sherburne in Tokyo Bay (Delayed)—Lorin W. Martinelli, seaman, first class, son of Mr. and Mrs. Laurino Martinelli, 7 East Market street, Daly City, is serving on this attack transport, which landed troops for the occupation of Japan.

The Sherburne arrived September 2, and started unloading troops and their equipment by boat. She later moored off the dock in Yokohama.

Gets Discharge From U. S. Army

Corporal Al Dimassino, 3123 San Jose avenue, received an honorable discharge from the U. S. Army September 21, after serving three years in the South Pacific.

He arrived in San Francisco, August 8, prepared to enjoy a 45-day furlough, at the expiration of which he returned to Camp Beale, receiving his discharge five days later.

A dinner given in honor of his return by his parents, Mr. and Mrs. Pietro Dimassino of 3123 San Jose avenue was attended by the following friends and relatives: Mr. and Mrs. Ivan Gross and son, Robert; Mr. and Mrs. Albert Gernans and children, Albert and Barbara; Miss Eleanor Dimassino, all of whom are sisters and brothers of the veteran; an uncle, Benjamin Dimassino and Mr. and Mrs. J. Hohl and daughter, Jacqueline.

Dimassino is the proud possessor of three stars on his overseas bars for the battles of Makin, Saipan, and Okinawa.

NORTHERN CALIFORNIA

Industrial Center of the New Pacific World

NORTHERN CALIFORNIA... gateway to a billion new customers

How big will our Pacific Market really be?

R. G. and E. engineers will help you locate your plant

A well-known Pacific Gas and Electric Company engineering staff has been built solely to help industrial firms locate their new plants in Northern California. This staff works closely with established agencies throughout the entire area, and its service includes as no charge...

A thorough study of available sites, photographs, maps, aerial perspectives. Complete information on environment, transportation, drainage, building and freight rates. Estimated cost of property, of any necessary improvements, of power and other utilities.

For more information, or assistance of any kind, write Pacific Gas and Electric Company, San Francisco 4, California.

Economies estimate that America's trade with the billion people who live around the great Pacific Basin can amount to at least seven billion dollars a year... more than double what it did before the war.

The Dutch East Indies, for example, are planning to spend close to two and a half billion dollars for the rehabilitation of their island. China is making arrangements to buy 300 million dollars worth of heavy machinery. Russia is reported to have earmarked 10 billion dollars to be spent over a 10-year period.

With an eye to these and other expanded markets in Latin America, the Philippines, Australia, Hawaii

and our own Western ones, 176 firms opened manufacturing plants in Northern California during the first six months of 1945.

For here is the geographical, industrial and financial center of the new Pacific World. Here are the deep-water ports, the cheap power and fuel, the highly-skilled labor pool. Here are tremendous timber, oil and mineral resources. Here, or nearby, are plants capable of producing vast quantities of magnesium, aluminum and steel.

If your business is looking West, investigate the advantages of Northern California. The Pacific Gas and Electric Company will help you in every way possible.

Northern California... industrial center of the new Pacific World

PACIFIC GAS AND ELECTRIC COMPANY

Gateway to a Billion New Customers...

This is a time to "speak up." It is a time to take action and get things done. Northern California was the established base of operations for the Pacific World during wartime. In the peacetime progress and prosperity to follow, this position can be maintained.

To present this story to the Nation, your gas and electric company, P. G. and E., has now, this month inaugurated a national advertising campaign for Northern California in the interests of industry, business, labor, agriculture, and population growth.

Watch for these advertisements in the national periodicals listed below. Read the forthright, factual messages they contain.

This series of national advertisements will reach a monthly total of more than 5,450,000 readers.

This is the first of a series of national advertisements to appear in FORBES, BUSINESS WEEK, SATURDAY EVENING POST, TIME, WALL STREET JOURNAL, UNITED STATES NEWS

GOT ANYTHING TO READ?

• The sergeant now fights a private battle — to lick the endless monotony of convalescence. Sturdy ally in his fight is the USO—working harder than ever, now the war is over, to make the hours easier on wounded GI's.

GOT ANYTHING TO EAT?

• These ragged Philippine kids aren't like the kids back home. They're hungry, homeless.

Foreign War Relief, supported by your gifts, brings life and hope to these children—in whose thin fingers must rest the world's hope of future peace.

These photos show the work of just two—of 21 —agencies sharing the National War Fund.

Robert Morris Aboard Cargo Ship

On the USS Giansar in the Pacific (Delayed) — Robert Leslie Morris, storekeeper, first class, USNR, 250 Miriam street, Daly City is serving on this cargo ship which did its share to float the Stars and Stripes over Tarawa, Okinawa and Tokyo by delivering food and tools of war to our fighting ships.

The men of the Giansar shot down no Jap planes and sank no Jap submarines but when it comes to commendations, they have to take a back seat for nobody. From service squadrons and various

units of the fleet have come "well done" for delivery of thousands of tons of supplies where and when they were most needed.

File Complaint Against Colma Hog Ranches

Complaint for abatement was filed October 4, in the superior court by District Attorney Gilbert Ferrell for the county against the Progress Hog Ranch, Colma, naming Angelo and Rose Olcese, Albert Bertucci, Leilo Martinelli,

Prevents Sticking
To prevent corks from sticking in bottles rub cork with vaseline.

Progress Hog Ranch, and John Does as defendants.

Claimed a public nuisance, the ranch and its owners were charged with having failed to comply with county health department regulations, with having permitted barns to remain "filapitated and filthy" and "infested with rodents," with feeding from 1200 to 1500 hogs "raw cabbage" and permitting refuse to "drain into Colma Creek."

Recorder's Office Shows Growth In Work for September

The month's work of the office of T. C. Rice, county recorder, for September, 1945, shows the following: Number of papers handled in his office, 3450; same month in 1944, 2792.

Fees paid in September, \$5,111.90; same month in 1944, \$4,445.05.

Births, 127; marriages, 106; deaths, 102; service discharges, 233.

News From The Grammar Schools

Woodrow Wilson

The pupils in the high eighth grade are enjoying their unit of work in social studies, "Living in the San Francisco Bay Area." Much information on the subject has already been found by the pupils.

The low fourth, in room 14, are studying how the California Indians provided food for each tribe and how they preserved it for the winter months.

The low eighth of room 4 have been studying how plants and animals adapt themselves to their natural environment.

The girls and boys of room 12 are working hard collecting pictures and ideas for a class scrapbook project on their unit. Everyone in the class will contribute at least one page to the scrapbook.

The girls and boys of the sixth grade are studying the early methods of water transportation. The log, raft, canoe and dugout are topics for study.

The high fourth and low fifth saw a very interesting film, "The New South." This film showed the many products and raw materials found in the south.

The low seventh in room 8 are studying the colonization of our nation.

In science they are studying how living plants and organisms adapt themselves to their environment.

Jefferson

The children of the first grade have been enjoying their activity program. Last week they enacted the story of "The Three Pigs." This week they were delighted to see "still" films of the same.

The fifth grade pupils are making a large wall map of the United States showing the various cotton growing states in our country. As the various other textiles are studied they, too, will be placed on the map.

In the sixth grade the pupils are making a health poster called "The Happy Health Family." Many characters are portrayed in healthful vegetable sketches. Faustine Quiteries and Robert Giorni have planned and designed the poster.

Scientific developments, as a result of the war, were recently studied and discussed by the seventh grade students in Mrs. Leonetti's class. The most interesting were the atomic bomb and DDT. Students brought pictures to school which showed the destructive power of the mighty atomic bomb.

The children of the third and fourth grades are very interested in their study of Indians and are enjoying the miniature Indian homes and slides they are making which depict various activities of Indian life.

Crocker

The students of room 2 welcomed Russell Peterson to their class

last week.

The students of room 3 are working on booklets correlating their social science unit, "How Inventions Have Changed Man's Way of Living."

The pupils of room 4 are very interested in their unit "Transportation." Many colorful pictures depicting early methods of travel have been placed on the bulletin board.

The pupils of room 5 are studying "The Americas." They began with our South American neighbors.

Last week they enjoyed a moving picture about Peru. Many are reading the article published by Life magazine pertaining to the ancient "Incas" of Peru.

William Evans was the only pupil of room 6 who brought war souvenirs. They consisted of the following articles: a Japanese gas mask, a Japanese naval helmet, a package of Japanese cigarettes, Japanese coins and paper money, a large couerie shell from Saipan, and a coolie hat from China.

Humanity

The military victory has been won, but there is another victory still to be won—a victory for humanity. Millions of our armed forces are still overseas. Many more are at bases within the country. Many of them will be still in service for months, even years. Thousands are in hospitals, at home and overseas, maimed, broken, blinded, because they helped to win that military victory. For all of these the victory that must now be won is the victory over boredom and neglect. The morale building services of U.S.O. made possible by the War Chest must be continued! Thousands of seamen are still delivering supplies and personnel overseas. For them the victory that must now be won is the victory over boredom, neglect, family difficulties, and the evils of war-torn ports in the far corners of the world. A War Chest agency looks after their welfare.

A Little 'Dope' On Hunting And Fishing Conditions

Current hunting and fishing conditions as compiled by the Outing Department of the National Automobile club:

Modoc county — Duck hunters are advised that, according to the latest information received by the Outing Department from Tule Lake, all accommodations have been booked for some time. While a new hotel is promised for next year, the nearest accommodations at present are at Klamath Falls, Oregon. Anyone contemplating hunting in that area should make reservations well in advance. Late hunting information from the Tule Lake area says the hunting should be good this fall. Ducks and geese are already coming in. Deer hunters left the area in great numbers the last week in September. The weather has been too warm and dry for good hunting.

Lassen county hunters report several nice bucks taken between the opening of the season and the last week in September.

South Lassen, Sierra, and East Plumas counties—Very few bucks were taken in this area between the opening of the season and the end of September. Fishing is on the mend, with some nice catches being made in the Lake Basin area.

Humboldt county—Deer season was not up to par in this area. Salmon are increasing in Dungan Pool. A few steelhead were taken in Dingley Pool last week.

Butte, Glenn, Plumas, Lassen, Sierra counties—Most of the bucks are forked horn and rather small. Fishermen report good to fair catches in all streams of Butte. Most of the first are being caught with single eggs.

Eldorado county—A few bucks were being taken in El Dorado county last week.

Amador county fishermen were not having much success on Twin Lakes last week. The road from Lumber Yard Ranger Station to Mokolumne river and Salt Spring was still closed, September 29.

Calaveras county—A number of sage hens have been noted back of Heenan lake. Some fishermen have been out on the East Carson river but report few fish being taken. The Stanislaus river in this area has been good all season.

Fish plantings in Lake Alpine are doing well, and are now 5 to 6 inches long.

Contra Costa county—Salmon landings have increased very sharply. Fish are averaging around 26 pounds. Striped bass fishing is slowly improving.

Alameda county reports that ducks are not coming in very well.

Mariposa and Merced counties—Ducks are coming in in increasing numbers.

Mono county—About 300 geese were noted on Topaz lake recently. Bucks were still coming in last week.

Fresno county—A good many ducks were coming into Tulare Lake district last week. There are also lots of mountain quail.

New Tire — New Tube — **DURECAP**..

You can bet on these three for

MORE MILEAGE!

♠ B. F. Goodrich Silvertown Tires

The Ace of Spades is tops in cards—a B. F. Goodrich Silvertown is tops in tires, for this tire has three extra years of synthetic experience behind it—and has long since proved its worth by rolling up billions of miles on the cars of essential drivers.

6:00-16

\$15.20
PLUS TAX

♣ B. F. Goodrich TUBES

Don't gamble on a weak, patched, stretched pre-war tube. A new B. F. Goodrich tube—in time—may save a tire!

6:00-16

\$3.65
PLUS TAX

♥ DURECAP

DURECAP is your "ace in the hole" for smooth tires. It means new, thick treads fortified with Duramin,

the B. F. Goodrich "rubber vitamin" that combats heat deterioration, makes tread rubber tougher—helps it wear longer.

Don't say "Recap"

—say.. DURECAP.

It costs no more.

Jack R. Murphy And Esther Hanel Are Wed October 6

Following 20 months duty in the South Pacific, Mailman 2/c Jack R. Murphy, U. S. Navy returned recently to bestow his name on Esther Hanel.

The ceremony was performed by U. S. Navy Chaplain Fergis Saturday, October 6 at 7:30 p. m. at the home of the bride's parents.

The bride, daughter of Mr. and Mrs. Fred G. Hanel, 223 Miriam street, wore a light blue suit and a corsage of orchids.

Sole attendant for the bride was Mrs. Helen Burr, who wore a gold colored suit.

Best man duties were performed by Carpenter's Mate John Thompson, U. S. Navy.

The groom is the son of Mrs. Ruth Murphy of Oklahoma City, Oklahoma.

The couple left Monday, October 8 on a honeymoon trip to Oklahoma City by way of Los Angeles.

Esther is well known locally as she was graduated from Woodrow Wilson elementary and Jefferson Union High schools.

Price Control For Entire S. M. County Centers At Redwood

In order to clear up considerable confusion in the public mind following the recent consolidation of War Price and Rationing Boards in San Mateo county, the following statement has been issued by R. Nye Wilson, San Francisco district board executive.

The Burlingame Rationing board, which handles rationing for former Burlingame and South San Francisco board areas only, is now located at 1350 Howard avenue, Burlingame, room 213; upstairs over the Burlingame Bowl.

The Redwood City Price Control and Rationing board, at Main and Broadway, handles rationing for the former Redwood City and Half Moon Bay areas only but handles price control for the entire county of San Mateo.

Bethel No. 26 O. J. D. Slate Initiation For October 12th

The members of Bethel No. 26, Order of Job's Daughters, are planning to hold their Visiting Bethel's Night and initiation on Friday, October 12, at the Mission Masonic temple, 2668 Mission street. The meeting will begin promptly at 7:30 p. m. Miss Florence Rowlands, honored queen, will preside.

Following the meeting there will be a program and refreshments.

Mr. and Mrs. Lemoine Move to San Mateo

Mr. and Mrs. E. J. Lemoine and son Emile, 160 Flournoy street are moving to San Mateo this weekend after having resided in Daly City for more than 12 years.

Emile is well known here by the younger generation and especially by the graduates of the early class of 1945 as he was class president.
